Stilosa Manual espresso coffee machine - Black

The Stilosa espresso machine adds style to any modern kitchen

Compact and modern traditional pump espresso machine with milk frother and removable drip tray for easy cleaning. 15 bar pressure pump for the perfect crema.

15 bar pressure

The 15 bar pressure feature creates a delicious espresso with a rich aroma and an enticing nut coloured creamy top.

Milk frother

Easy to use, stainless steel milk frother for creamy cappuccinos.

Stainless steel boiler

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

itworkup.co.za | sales@itworkup.co.za | +27 (11)541-9950

The boiler is made from stainless steel for high durability, ensuring excellent in-cup results for a long period of time.

Two-tiered drip tray

The removable drip tray produces a two-tiered cup holder, allowing you to use mugs and glasses up to 110mm tall.
