Thanks to a new range of attachments, you can enjoy ultimate versatility in the kitchen with the MultiQuick 5 Pro. Slice, shred, chop, or mix your own delicious dips – with the new Mini Food Processor. With a 45 % smaller footprint you can save space without compromising on features. The SizeControl chopper delivers a 3-in-1 solution and lets you chop hard foods in three different textures, and on top of that, you can even crush ice. On top the MultiQuick 5 Pro is equipped with the PowerBell V Plus Technology for up to 4 times finer results. You'll appreciate the perfect interaction of the variable one-hand speed wheel with its 25 easily adjustable speeds and a powerful 1000-watt motor.
