

HP Durable Black Print Cartridge

Model: CQ849A

Manufacturer: HP INC.

EAN: 4053162287198

Product Code: 1319053

R2,107

Excellent media versatility and optical density

Print on high-quality coated, aqueous overcoated, and varnished substrates. With the pigmentbased ink of the HP Durable Black CQ849A ink cartridge, you can produce high-quality, high-resolution up to 600 dpi* dark black text and barcodes with high optical density and excellent durability, up to 150 ft/min print speed. You can also produce 10 mil barcodes and 300 dpi images at up to 200 ft/min print speeds.

- Produce high-quality prints, even during intermittent printing;
- Maintain high productivity with this durable, genuine HP ink formulation.

Consistent and reliable print quality

Get consistently high print quality, even on applications with intermittent printing. The integrated cartridge design means you get a fresh printhead with each cartridge replacement, delivering high system reliability.

Operational efficiency and cost effectiveness
