Premium feel in your hand

Made of high-quality leather, this case adds luxury to your stunning Galaxy Z Fold3 5G.

Hold it, unfold it, stand it up

On the back is a strap to keep the phone securely in your hand as you hold it. When you want to go hands-free, pop out the strap and it turns into a sturdy stand to prop up your phone.

Soft to the touch

Genuine leather makes the exterior of your phone feel exquisite in your hand. Once installed, the material enhances the comfortable grip as you text, type and play.
