

QNAP TL- R1600PES-RP storage drive enclosure HDD/SSD enclosure Black, Grey 2.5/3.5"

Model: TL-R1600PES-RP

Manufacturer: QNAP

EAN: 4711103083215

Product Code: 1319322

R104,468

TL-R1600PES-RP

PCIe Interface 16-bay JBOD, supporting SATA drives, for petabyte-scale expansion designed specifically for QNAP NAS

The TL-R1600PES-RP TL PCIe interface JBOD storage enclosure allows you to expand the storage capacity of a QuTS hero or QTS NAS by using SATA hard drives. Providing large data capacity and fast transfer speed, the TL-R1600PES-RP is the ideal solution for archiving/backing up virtualization applications, surveillance recordings, large data, and multimedia.

QNAP enterprise NAS with petabyte-class storage

Use QNAP enterprise and all-flash QuTS hero NAS paired with multiple TL-R1600PES-RP JBODs, to obtain both breakthrough performance and massive capacity. The TL-R1600PES-RP supports SATA hard drives, providing greater choice in selecting high-capacity drives. This configuration is ideal for enterprises, science research institutions, and media production companies that require high-capacity storage for backing up or storing virtual machines, containers, and what is produced/generated by their high-performance NAS.
