MAG 5000 is a portable battery charger compatible with MagSafe technology. For safe and effective charging, just magnetically attach the Power Bank onto the iPhone equipped with the MagSafe system, with no need for cables or precise alignment. The slim, compact design lets you always take MAG 5000 with you and charge your iPhone in any situation, with no cables, for the greatest freedom of movement. Available in 3 different colours to be matched with new iPhones or MagSafe cases.
