

ATEN 4-Port USB HDMI Dual Display Secure KVM Switch (PSD PP v4.0 Compliant)

Model: CS1144H4-AT-G

Manufacturer: ATEN

EAN: 4710469341434

Product Code: 1322189

R20,313

ATEN PSD PP v4.0 Secure KVM Switch CS1144H4 is specifically designed to meet the stringent security requirement of secure defense and intelligence installations. ATEN PSD PP v4.0 Secure KVM Switch CS1144H4 is compliant with PSD PP v4.0 (Protection Profile for Peripheral Sharing Device, Version 4.0) standard certified by the National Information Assurance Partnership (NIAP).

ATEN PSD PP v4.0 Secure KVM Switch CS1144H4 provides isolation between computer sources and peripherals while sharing a single keyboard, mouse, monitor, and speaker set between connected computers of various security classifications. Compliance with PSD PP v4.0 ensures peripheral sharing capabilities provide maximum user data security when switching port focus, preventing unauthorized data flows or leakage between connected sources. Key protections include isolation and unidirectional data flow, restricted peripheral connectivity and filtering, user data protection,
