

Microconnect MC-PCIEX4-I226- T4 not categorized

Model: MC-PCIEX4-I226-T4

Manufacturer: MICRO CONNECT

EAN: 5715328014572

Product Code: 1322370

R3,321

The Intel I226-T4 Quad-Port 2.5G RJ45 Server NIC is a compact, energy-efficient network adapter designed for modern server and workstation environments. Featuring the Intel I226 chipset, it delivers reliable multi-gigabit Ethernet performance over standard copper cabling, ideal for SMBs, edge computing, and high-density deployments.
