MOVA I10 Battery and Accessories

The MOVA I10 battery is a replaceable battery designed for the MOVA I10 upright vacuum cleaner. Its 2600 mAh capacity and lithium-ion design ensure a stable power supply to the device, allowing it to return to full performance once the previous battery has been depleted. This is a practical solution for users who want to extend the life of their vacuum cleaner and keep it ready for daily cleaning. The set also includes a dedicated charger, which allows you to conveniently recharge the battery and quickly prepare the device for further use.

Included

- MOVA I10 battery x1
- AC charger x1
