The new MultiMix 5 offers even more power and precision. Its clever SmartMix technology places the weight in the bowl, not in your hand for up to 40% less effort while mixing.* And it comes with a very powerful 750 W motor so you can enjoy effortless baking creativity every time. That's 50% more power compared to MultiMix 3. VarioControl delivers seamless variable speed control for quick and easy selection of speeds. * Mixing cake batter, internal test Braun vs. leading competitors.
