

LANBERG LCU6- 21CU-0305-BK UTP stranded cable CU OUTDOOR cat. 6 305m Black

Model: LCU6-21CU-0305-BK

Manufacturer: LANBERG

EAN: 5901969421859

Product Code: 1326430

R3,738

The Lanberg LCU6-21CU-0305-BK is a versatile bulk cable designed to meet a range of networking needs. Featuring copper conductors and UTP technology, this cable supports Category 6 standards with an impedance of 100 ohm, ensuring reliable performance for various applications. With a tested frequency of up to 250 MHz, it is suitable for outdoor use and provides solid connectivity, making it an option for both personal and professional projects.

Encased in a spool package, this cable offers length indication to simplify installation and ensure efficiency. Designed for a broad operational temperature range, it can function in environments from -20°C to 75°C, making it a robust option for diverse conditions. Choose the Lanberg bulk cable for a dependable and efficient networking solution.

Product Description: Lanberg bulk cable - 305 m - black | Type: Bulk cable - CAT 6 | Technology:

Unshielded twisted pair (UTP) | Features: Solid, outdoor, copper conductor, length indication, spool
