R2,578

Functional by design

The Smart View Wallet Case protects your device in sleek style and lets you access the interactive display of your Galaxy A55 5G without opening the cover. Available in Black, White and Lavender.

Access more through the window display

Even when closed, a simple tap on the window display using the Smart View Wallet Case gives you access to useful functions including answering calls or pausing the music.

Phone. Wallet. All set in one.

Keep your daily card in the Smart View Wallet Case's card pocket so you're always set on the essentials.
