Up to 80 minute Running time

Extra battery

Enjoy a long cleaning time with 2 batteries. With up to 80 minutes^[1] of run time, you can clean at your own pace. Each battery is easily removable and rechargeable, and can be swapped quickly.

Clean up to 40 minutes^[3] on one battery

Removable and Longer-lasting Battery

Enjoy a long cleaning time without recharging. A high-efficiency (2000mA^[2]) battery maintains suction for up to 40 minutes^[3]. And you can easily remove and replace it with a spare battery to extend your cleaning time^[4]. It also retains 70% of its original performance up to 500 cycles^[5].
