

Microconnect SSTP601PI networking cable Pink 1 m Cat6 S/FTP (S- STP)

Model: SSTP601PI

Manufacturer: MICRO CONNECT

EAN: 5711783260288

Product Code: 1334047

R757

The MicroConnect SSTP601PI is a high-performance S/FTP CAT6 network cable, designed for reliable data transmission in demanding environments. This 1-meter cable features a shielded foiled twisted pair (S/FTP) construction, minimizing interference and ensuring data integrity. The vibrant pink color allows for easy identification in complex network setups. Constructed with LSZH (Low Smoke Zero Halogen) materials, this cable prioritizes safety by reducing the emission of toxic fumes in the event of a fire, making it ideal for environments where safety is paramount. Benefit from MicroConnect's 20+ years of expertise and ensure a secure and efficient network connection with this premium quality CAT6 cable. Experience the difference of European design and quality standards, providing peace of mind and long-lasting performance.
