260g turbo steam tackles even the most stubborn creases

The extra long steam boost delivers more power for removing tough creases from thicker fabrics like your favorite pair of jeans. Up to 260g of turbo steam for even more powerful ironing.

Vertical steaming for hanging fabrics

The vertical steam function lets you refresh garments right on the hanger and remove creases from curtains as they hang. No ironing board required.

Auto shut-off after 8 minutes

To give you peace of mind the steam iron automatically switches itself off after 8 minutes.

Iron more in one go with the 350ml water tank

Fewer refills are required thanks to a large 350ml water tank. So you can iron more clothes in one go.

One optimal temperature setting, for no burns guaranteed

One optimal setting for all ironable fabrics. For no burns, guaranteed. Thanks to OptimalTEMP technology, we guarantee this iron will never cause burns to any ironable fabric and you can iron everything from jeans to silk, from linen to cashmere safely, in any order, without waiting for the temperature to adjust or pre-sorting clothes.

SteamGlide Elite soleplate for ultimate gliding & durability

Smoothly glide over creases with the super-smooth SteamGlide Elite soleplate that is gentle on your clothes. Super-smooth SteamGlide Elite soleplate is durable, scratch-resistant and easy to keep clean.

Iron effortlessly with intelligent automatic steam

Ensure your ironing is completed fast and with minimal effort, with the new motion sensor technology that recognizes when you move the iron to release steam automatically.

Quick calc release for long lasting performance

The quick calc release helps to maintain peak performance by removing calcium build-up or limescale.
