Expand your creativity in the kitchen with the MultiQuick 5 and a simple change of practical accessories thanks to the patented EasyClick System Plus. The PowerBell VPlus Technology is also on board for up to 4x finer results*. An extra milling blade and 6 inner ribs create more interaction between food and the blades for more cutting per rotation. And for powerful precision in the palm of your hand, the MultiQuick 5 gives you 21 easily adjustable speeds with a variable one-hand speed wheel and a 1000-watt motor for fast and efficient blending.
