GHV 12+18V XA S Professional: Further information

Product Highlights

The GHV 12+18V XA heated vest is the ideal choice for everybody who desires consistent warmth of the body core without having to forgo maximum freedom of movement. Its smart design keeps the body warm and enables intensive physical work, especially with the arms, at the same time. This vest's three-zone heating makes for perfect heat distribution to keep the body core warm all day. With three heat levels, powered with Bosch's 12 V batteries, long-lasting warmth is always taken care of. For added convenience, USB-powered devices are easily charged via the battery adapter's integrated port.

Additional Information

The jacket's heating pads are powered by the GAA 12V-21 charging adapter (included) and 12 V battery from Bosch or, optionally, by the GAA 18V-24 charging adapter and 18 V battery from Bosch (not included).
