wear resistance, non-stick and is easy to clean.

Quick Calc release

Quick Calc Release for an easy cleaning for your iron and a long-lasting steam performance.

2600W for quick heat-up and powerful performance

Delivers a fast warm-up and powerful performance to get your ironing done quickly.

Less refilling with extra-large 300 ml water tank

Fewer refills are required thanks to a large 300 ml water tank, allowing you to iron more clothes in one go.

Steam output up to 45g/min for faster crease removal

Strong and consistent steam output penetrates up to 50% more steam through fabric to remove creases faster.

Vertical steam

Vertical steam function allows you to refresh garments right on the hanger and remove creases from hanging fabrics such as curtains. No ironing board required.

Easy temperature control

An elevated temperature control and variable steam setting is easy and precise to operate. You will always have the right temperature and steam for your garment.
