This toaster is ideal for quickly preparing toast, sandwiches, and other grilled foods. The non-stick plates (21 x 11.5 cm) allow for even cooking and make cleaning easier by preventing food residue from sticking.

The Bakelite body ensures heat resistance and lightweight construction, while the heat-insulated handle with locking catch ensures safe use during cooking.

The temperature indicator light indicates when the optimal temperature has been reached, allowing you to start cooking at the right time.

It features non-slip feet for stability during use and a built-in cord retractable handle for neat and compact storage.
