

Homedics AP-T63BG-WW Whisper Pure Comfort Air Purifier

Model: AP-T63BG-WW

Manufacturer: HOMEDICS

EAN: 5010777166385

Product Code: 1343457

R1,895

Keeping your home clean is easy. But how do you keep the air clean? The Homedics WhisperPure Comfort Air Purifier removes up to 99.97% of airborne allergens as small as 0.3 microns. It delivers a fresh flow of clean, purified air, improving indoor air quality for your family.

3-in-1 True HEPA Filtration

The 3-in-1 True HEPA filter with activated carbon captures and removes dust, pollen, and airborne mould spores, while reducing odour and VOCs, and relieving hay fever and allergy symptoms. Suitable for medium-sized rooms up to 42m².

Whisper-Quiet Filtration

Transform the air quality of your space without the noise. Whether you're cooking, working, or sleeping peacefully, WhisperPure quietly replaces the air in your space once every hour, because

you deserve purified air in peace.

Designed to blend beautifully into your life

WhisperPure features a modern matte finish, neutral colours and a convenient carry handle, so you can enjoy fresh air in every corner of your home. The integrated essential oil tray lets you add your favourite essential oils to uplift your space.

3-in-1 True HEPA filter with carbon filtration

3 whisper-quiet fan speeds (20-53 dBA)

Prefilter designed to capture large particles

Energy-efficient performance: 2.3p per 4 hours of full power usage (dependent on your energy provider)

Easy-to-install filter with replacement indicator

Essential oil tray with 3 interchangeable pads

Your home should be where you exhale. The Homedics WhisperPure Comfort Air Purifier runs quietly in the background with 3 fan speeds (20-53 dBA) filtering out 99.97% of airborne allergens as small as 0.3 microns. The 3-in-1 True HEPA filter captures and removes dust, pollen, and airborne mould spores, with activated carbon to reduce odours and VOCs. Breathe easy as you move throughout your day with the convenient carry handle. Keep hay fever and allergy symptoms at bay in your bedroom and keep your living room free from invisible airborne pollutants. Energy-efficient to run, clean purified air is released into your space once per hour. Place it where you need it. Set it. Then forget it. Cleaner air should blend with your lifestyle. Coloured to complement your space with a modern, minimalist design and an essential oil tray for your favourite soothing scents, WhisperPure creates better air quality you'll love coming home to.
