

Sony VF- 72CPAM2 Circular polarising camera filter 72 mm

Model: VF72CPAM2.SYH

Manufacturer: SONY

EAN: 4548736100732

Product Code: 1343574

R4,379

Circular PL filters are essential for many types of photography, especially landscape, where they can eliminate reflections, enhance color and boost contrast. Sony's CPAM2 Circular PL filters deliver outstanding optical quality that allows the full resolution and performance potential of G Master lenses to come through without compromise.
