R993

The Canon PG 595 ink cartridge offers reliable printing technology that delivers consistent results. Utilizing Canon's Full-Photolithography Inkjet Nozzle Engineering (FINE), this cartridge ensures that prints are sharp and vibrant, ideal for various printing needs. With its pigmented ink, the Canon PG 595 provides excellent color accuracy and durability, ensuring that your prints look great and last over time. This original cartridge is designed for Canon printers, ensuring compatibility and performance with every print job.
