LANBERG PCU5-10CC-0100-S Patchcord RJ45 cat. 5e UTP 1m grey

Model: PCU5-10CC-0100-S

Manufacturer: LANBERG

EAN: 5901969404425

Product Code: 1347197

R510

The Lanberg patch cable is designed to deliver reliable network connectivity for various applications. Featuring UTP technology and compliant with ANSI/TIA/EIA 568-B standards, this cable ensures optimal performance. It connects devices seamlessly with male RJ-45 connectors on both ends, providing durability and stability in data transmission. The cable's PVC jacket offers flexibility while protecting against wear and tear, suitable for both home and office environments. With a tested frequency of up to 100 MHz, it supports efficient data transfer rates.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
