LANBERG PCU6-10CC-0200-S Patchcord RJ45 cat. 6 UTP 2m grey

Model: PCU6-10CC-0200-S

Manufacturer: LANBERG

EAN: 5901969406245

Product Code: 1347203

R541

The Lanberg CAT 6 patch cable is designed to facilitate reliable network connections with performance. Constructed from durable PVC material, this cable features a molded design that enhances longevity and reduces the risk of wear. It is a UTP cable with a tested frequency of up to 250 MHz, which ensures signal quality for a wide range of networking applications.
The snagless design provides ease of use during installation and helps to avoid damaging the connector during handling. With RJ-45 connectors on both ends, this 24 AWG stranded cable is perfect for connecting networking devices, routers, switches, and more. Trust the Lanberg CAT 6 patch cable for dependable and efficient networking.
