Peak Performance, Whisper Quiet

Work, play, and edit distraction-free. Achieve peak efficiency with AMD Ryzen™ 7 7000 Series processors, which can power your most-used programs with ease. Experience enhanced multitasking with abundant memory . Complete tasks in total tranquillity, thanks to the IdeaCentre AIO Gen 9’s certification for low-noise operations. Now, you can effortlessly dominate your work or studies and delve into the serenity of focused accomplishments.

Dare to Experience the Extraordinary

Immerse yourself in the world of cinematic brilliance, without the strain on your eyes. Welcome to the realm of the IdeaCentre AIO Gen 9, featuring a resplendent 27″ wide and bright IPS display. Its colour palette boasts an endless range of colours to use and experience. And that's not all, the Low Blue Light certification ensures your eyes stay fatigue-free. Augmented with the resonating audio prowess of Harman® speakers, this is your golden ticket to an unparalleled audio-visual journey.

Elevated Communication with Clarity

Experience crystal clear video calls and improved audio quality with Lenovo Smart Meeting. Our 5MP webcam, powered by AI algorithms, guarantees that you will always look your best on screen. No more background noise to disrupt your meetings, thanks to our Smart Noise Cancelling feature that picks up the main speaker's voice while filtering out voices and noise from the background. Say goodbye to distractions and hello to a more productive meeting all because of IdeaCentre AIO Gen 9’s purposeful and cutting-edge technology.

Personalized Viewing, Adjustable Controls

Dive into an entirely new level of control with our optional intuitive touchscreen and interact freely while on the IdeaCentre AIO Gen 9. You'll have completely natural navigation as you select, drag, and click. No rigid movements, the hinge can even tilt from -5° to 15°, adjusting to all heights and postures for added comfort and customization.
