Moza Racing Flight Support Plate

Model: AS006

Manufacturer: MOZA RACING

EAN: 6973137270681

Product Code: 1391592

R1,216

Secure your flight simulation gear with the MOZA Flight Base Mount Adapter, engineered for robust performance within the MOZA Flight ecosystem. This adapter is crafted from a durable 4mm thick steel plate, ensuring a wobble-free and stable setup, even during the most intense flight sessions. Perfect for flat surfaces, it pairs seamlessly with suction cups to provide a firm and secure grip on desktops. With dimensions of 220 x 220 x 4 mm, the mount adapter is designed to support a variety of bases and throttles, offering versatile compatibility. The package includes a wrench and screws for easy installation, making it an essential accessory for any serious flight sim enthusiast.

Supports Multiple Devices

It’s compatible with MOZA Flight ecosystem.

4mm Steel Plate
