ARMAC UPS Home lite Line-Interactive HL/850F/LED/V2 850V 2x Schuko LED

Model: HL/850F/LED/V2

Manufacturer: ARMAC

EAN: 5901969443479

Product Code: 1398742

R1,659

The Armac Home Lite UPS is a reliable power backup solution designed to protect your devices from power disruptions. This UPS features a 650 VA power capacity and a valve regulated lead-acid (VRLA) battery, ensuring your equipment remains operational during power outages. With Automatic Voltage Regulation (AVR), it provides a stable AC 230 V output, safeguarding against voltage fluctuations.

Equipped with comprehensive protection mechanisms, including discharge, overload, and short-circuit protection, the Armac Home Lite UPS ensures your devices are protected in any electrical environment. It also features LED indicators for real-time status updates, making it easy to monitor. Additionally, its compliance with numerous safety and environmental standards, including RoHS and EMC, demonstrates its commitment to quality and sustainability. Whether for home or office use, the Armac Home Lite UPS offers a blend of reliability, efficiency, and quiet operation, making it an
