UBIQUITI AMO-5G10 Ubiquiti AMO-5G10 5GHz Next-Gen 2x2 Dual Polarity MIMO Omni Antenna, 10 dBi

Model: AMO-5G10

Manufacturer: UBIQUITI NETWORKS

EAN: 810354020988

Product Code: 1403591

R3,321

AirMAX Omni is a carrier class 2 x 2 dual polarity MIMO Omni directional antenna that was designed to seamlessly integrate with RocketM radios. Pair the RocketM's radio with the AirMAX Omni's reach to create a powerful, 360-degree omni directional base station. This seamless integration gives network architects unparalleled flexibility and convenience.
