A small docking station that, despite its very compact dimensions, offers everything you need for basic work. Connect an external monitor in up to 4K resolution, two USB ports for connecting your peripherals and an SD and microSD card reader to help with data transfer. Of course, you can also power your laptop, up to 60W (you can either use your existing power adapter or purchase a charger from us)

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
