

LANBERG WF02-6606-10S wall-mounted double section rack 19inch flat pack 6U/600x600mm grey

Model: WF02-6606-10S

Manufacturer: LANBERG

EAN: 5901969403916

Product Code: 1404462

R2,696

The Lanberg's wall-mount, double-section cabinet WF02-6606-10S is a solution designed to expand networks, installation of cabling and flexible equipment montage. It can be used in networks, server rooms, small and medium businesses. This particular cabinet can also work in low voltage systems, such as cable TV networks, alarm, fire protection and access control systems, CCTV and IP surveillance.

The product construction is made of high-grade cold-rolled steel which is characterized by excellent design and high quality of craftsmanship. Having an additional section, you can easily lead cabling from the rear, perform maintenance of equipment fitted inside or upgrade its functionality by installing new devices. Additionally, the cabinet is equipped with a front tempered glass door with a
