R2,155

Shiatsu massage - The Shiatsu back and shoulder massage seat from HoMedics replicate the famous Japanese massage technique using powerful massage balls. Unwind and recharge, right from home. Three massage zones and soothing heat - By rotating and kneading, the double massage rollers simulate the finger movements of a real massager. Using the control panel, target your back, lower back, or shoulders. A simple attachment system - With its elastic strap, you can attach your massage seat to any type of chair. In addition, you have the option of folding it in order to store it more easily. Relaxation at home - Relieve stress directly from home. 15 minutes a day are enough to release muscle tension and relax. A device for your comfort and well-being, while staying at home. Technical data Shiatsu massage proper use: Back Number of programs: 10 Heat function: Yes Power source type: AC, Battery Colour: Grey
