Model: 59945E

Manufacturer: INLINE

EAN: 4043718218561

Product Code: 1406646

R855

The Inline® hook-and-loops are used in many areas. They are quick and easy to attach by hand and also very easy to remove again. Especially recommended because they are reusable and also offer an enormous hold. Resistant to sea water, oils and fats.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
