Vertiv Liebert GXE3-3000IRT2UXL uninterruptible power supply (UPS) Double-conversion (Online) 3 kVA 2700 W 9 AC outlet(s)

Model: GXE3-3000IRT2UXL

Manufacturer: VERTIV

EAN: 767041034424

Product Code: 1406677

R28,856

The Vertiv Liebert GXE UPS is an affordable, efficient UPS with high output power factor (0.9PF), which enables continuous and reliable power to more connected devices. With online double conversion, this 3kVA UPS protects devices against many disturbances. It is ideal for critical applications in financial, government, and manufacturing industries. It has flexible rack/tower mounting options. Up to 4 additional external battery cabinets provide scalable runtime for those

applications requiring longer period of backup in case of AC mains failures. The high efficiency in both online and ECO modes of operation (up to 95% in ECO mode) for this already affordable UPS further drives energy and operational costs savings. An optional network management card allows remote management and server shutdown. Its extended runtime and multiple monitoring options make this compact UPS ideal for delivering best-in-class power protection to equipment at the edge of networks or in remote sites.
