temperature air, adjustable up to 230°C, which circulates at maximum speed and 360° inside the cooking chamber and guarantees uniform distribution of heat inside. It is precisely the hot air that allows for homogeneous cooking of the dishes and the formation of a crunchy crust on the outside, which has nothing to envy to traditional frying. Thanks to the hot air, there will be no need to add a lot of oil to obtain tasty fried food, because a simple spoonful will suffice, in this way you will bring lighter but tasty food to the table for the whole family. From the large digital display you can adjust cooking times, programs, temperatures and timers. Airy Fryer 25L is multifunctional: Preheating, Airfry, Toast, Roast, Rotisserie, Sweets, Bagels, Pizza, Grill, Defrosting, Proving, Drying, Slow cook, Heating. Airy Fryer 25L has 2 pluses: the rotisserie set and the rotating basket. The Airy Fryer 25L air fryer is easy to clean thanks to the crumb tray and has a low environmental impact, because it does not produce waste oil, which is one of the most difficult to dispose of waste in circulation.
