Power through blending more easily. The 35% wider Triblade™ foot is designed for faster blending and finer results**. Perfect for quick and easy meals, food preparation or batch cooking.

Batch Prep Pro

Stock up on a week of warming lunchtime soup in one go. With a longer XL blending wand, you can blend more in one batch.

Mash Made Easy

For perfectly fluffy mashed potatoes, reach for the masher tool. It makes mashing up to 2x easier than mashing by hand* and is also great for purées.
