

De'Longhi HCM2030 electric space heater 2000 W

Model: HCM2030

Manufacturer: DELONGHI

EAN: 8004399131217

Product Code: 1407479

R2,166

COMPACT SIZE

While maintaining the same performance level of traditional convectors, the HCM range has compact sizes, which makes it easier to place it in any room

ROOM THERMOSTAT

Adjustable room thermostat, to select and maintain the desired temperature

WALL MOUNTABLE

The HCM Series is wall mountable: in addition to their traditional free standing use, these convectors can be installed as fixed heating appliances
