Discover the at-home alternative to laser: 2 years of smooth skin and professional technology from the privacy and convenience of your home.

Salon results without the salon costs: Laser offers long-lasting results, but it's not completely permanent. With Braun at-home IPL device, you invest only once and can retouch anytime, if needed.

Effective across body areas: Clinically proven effectiveness on full body, including intimate areas. Different head attachments tailored to every body part³, including the Smart Flex Head for 100% coverage, even in tricky areas.
