

# Sony SEL55210 SLR Telephoto lens Black

Model: SEL55210B

Manufacturer: SONY

EAN: 4905524958706

Product Code: 1407794

## R9,024

This 3.8x zoom lens gives you consistently outstanding optical performance all the way. Optical SteadyShot™ image stabilization is a huge advantage when shooting in low light or capturing video.

An ideal complement to the 18-55mm zoom range of the SEL1855, this 3.8x zoom lens takes you from 55mm out to 210mm with consistently outstanding optical performance all the way. Built-in Optical SteadyShot (OSS) image stabilization is a huge advantage when shooting at longer focal lengths or in low light, making it easy to capture crisp, stable images at up to four shutter speeds lower than would normally be possible.

## Wide Zoom Range

The SEL55210 provides a wide focal range of up to 315mm (35mm equivalent) ideal for sports or nature shooting.

## **ED glass elements**

Two ED (Extra-low Dispersion) glass elements helps suppress chromatic aberration and color bleeding at all focal lengths providing excellent image quality throughout the zoom range.

## **Quiet Internal Focusing**

Internal focusing makes smooth, responsive AF possible with minimum noise. Perfect for video capture.
