Model: DN-170063-B

Manufacturer: ASSMANN ELECTRONIC

EAN: 4016032498612

Product Code: 1408266

R1,429

The DIGITUS DN-170063-B is a reliable line interactive UPS designed to provide consistent power support for your devices. Featuring a power capacity of 600 VA and 360 watts, it ensures uninterrupted power supply, making it essential for safeguarding critical equipment against power outages and fluctuations. The external form factor is convenient for placement, while the LED indicator offers clear visibility of the operational status.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
