The Superior Smart Partner for Small Appliances

Mini Smart Wi-Fi Socket P100

Live Smarter by Presetting Time

Schedule and Timer features allow you to create weekly schedule and countdown plans. All of your connected electronics will automatically work at your preset time, making your life smart, convenient, and energy-saving.

Free Up Your Hands with Voice Control

Mighty Features and Compact Size

Tapo P100 is built small to leave adjacent sockets open, making it convenient for daily use.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

A Deterrent for Your Home

Away Mode, a feature that intelligently simulates someone being home by turning the plugged in device (like a lamp) on and off, makes it appear that someone is home when you’re on long trips to keep away people with ill intent.

Share to Families

Not limited to single control, family members can directly share management permissions with each other, saving time and enhancing user-friendliness for the elderly.

Multiple Safety Guarantees

- Under strict quality inspection by TP-Link’s lab and certification by global authority.
- UL94-V0 PC flame-retardant materials help minimize burning hazards.
- Automatic storage after powered off or connection is lost.
- Sliding safety cover prevents electric shock.
