

TP-Link Tapo Pan/Tilt Home Security Wi-Fi Camera

Model: Tapo C210

Manufacturer: TP-LINK

EAN: 4897098682777

Product Code: 1410033

R1,209

Detects motion and sends you alerts right away

Home burglary is the very thing we want to prevent. Set a camera towards the entrance of your home, garage, or basement to ensure the safety of your family and property.

Receive a notification when the camera detects motion at home. It can be a notice of arriving package, or suspicious intrusion. Trigger light and sound effects to frighten away unwanted visitors.

Advanced night view helps guard you while you sleep

Sleep safe at night. Let your camera watch over your house while you're fast asleep. The 850 nm infrared night vision supports automatic color switch filter in low light conditions with a visual distance of up to 30 ft.

High definition video

Capture every detail in 3MP ultra-high definition. See exactly what happened in front of your camera any time that it was on. Know whether your kids are safe, well taken care of, or are getting into trouble.

Live view and two-way audio

When you take a trip, you can still make sure your fur babies aren't getting into trouble, or that your sitter is taking good care of them. Two-way audio allows you to tell them that you miss them (or to stop them from sharing your food).

Privacy mode and safe local storage ensures your privacy

You can turn on Privacy Mode, which can shut down the surveillance to further ensure the safety of privacy. Moreover, the local Micro SD card works to prevent any internet hacking incidents.

Share every memorable moment

Adorable and amusing moments are worth of sharing, especially with loved ones far away. Keep them in the loop on your day to day and part of your life with every precious second you share.
