

D-Link DUB-H4 480 Mbit/s

Model: DUB-H4/E

Manufacturer: D-LINK

EAN: 790069243905

Product Code: 1410170

R863

The D-Link 4-Port USB 2.0 Hub (DUB-H4) provides four additional USB 2.0 ports to your PC or Mac, allowing you to connect USB devices such as digital cameras, external hard drives, flash drives, and printers. Providing data rates of up to 480Mbps, this 4-port hub is the ideal solution for transferring data between your computer and external USB storage devices.

SIMPLE PLUG-AND-PLAY

Designed to provide quick and easy access, the DUB-H4 is equipped with four type “A” downstream ports for connecting USB peripherals or other USB hubs. The DUB-H4 does not require any software or complicated installation process. It is a Plug-and-Play device that provides seamless connectivity to both PCs and Macs. You can simply connect the DUB-H4 to your computer and start connecting your USB devices.

BACKWARD COMPATIBLE WITH USB 1.1

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
