2 IN 1: STEAM MOP AND INTEGRATED PORTABLE CLEANER

Polti Vaporetto SV460_Double is extremely practical and versatile: the steam mop cleans all kind of floors and goes everywhere because it is light and agile; the integrated portable cleaner can clean many different surfaces with the help of 17 accessories included: from the bathroom to the kitchen, including sofas, glass, mirrors and much more!

MAXIMUM HYGIENE FOR ALL SURFACES

Polti Vaporetto SV460_Double cleans and sanitize all surfaces in the home by simply using tap water; now you can take care of your home in a natural way, without using expensive chemical cleaners. Laboratory tests attest that with Polti Vaporetto SV460_Double it is possible to kill and remove up to 99.9% of viruses, germs and bacteria.

ECOLOGICAL, ONLY TAP WATER

The filter integrated in the appliance reduces the passage of mineral salts and the formation of limescale allowing the use of simple tap water. Polti Vaporetto SV460_Double already includes a spare filter in the equipment which can be easily replaced and guarantees a better cleaning result and extends the life of the appliance.

EASY AND FAST DAILY CLEANING

If you love having a house always clean in a short time, Polti Vaporetto SV460_Double is the right solution for you: ready for use in just 15 seconds, it allows non-stop cleaning thanks to the practical removable water tank that can be filled directly under the running water from the sink.

NON-STOP CLEANING WITH 4 CLOTHS INCLUDED

Polti Vaporetto SV460_Double is super-equipped: the 4 included cloths will allow you to clean the floors every day without having to wait for the day of the laundry; if you prefer you can also assign a different cloth for cleaning each room.

MANY ACCESSORIES FOR DIFFERENT SURFACES

The many accessories included let you clean many different surfaces: the brushes have different shape, color and strength of the bristles, to let you select the most suitable one for each surface; the small brush can be used with the cotton sockette to refresh sofas and upholstery or alone for mirrors and shiny glasses.

CARPETS LIKE NEW

With the special frame you can use Polti Vaporetto SV460_Double also on the carpets, for a better smoothness. The steam helps to remove any stains and kill the mites and allergens that lurk in the tissues, giving you a cleaner environment.

VAPORFORCE BRUSH

The special Vaporforce brush has a large area for dispensing steam which, combined with its excellent flexibility, lets you reach the most difficult corners ensuring more effective cleaning.

HANDS ALWAY CLEAN AND DRY

The practical application and removal of the cloth allows you to keep your hands clean and dry all the time: just put the brush on the cloth to attach it. Once you've finished cleaning, just put your foot on the tab to remove the cloth.
