brightness, and distributes light very effectively.

Versatility

The tent features an opening top cover, allowing you to take photos from above as well. The set also includes photo backdrops in various colors, making it easy to match the color scheme to a specific product.

LED Lighting

Built-in LED panels provide perfect lighting for the tent. The lights are also adjustable, allowing you to customize the direction of the light yourself. This means you don't need any additional lights—everything you need is included in the set!

Easy Setup

The simple and compact design allows you to set up the tent in just a few minutes. The carrying case included in the set makes transporting the tent easy and protects it from dirt and damage.

Included

- shadow-free tent
- cabling + power adapter
- photo backdrops x3 (black, white, orange)
- carrying case
