R48,302

2-in-1 xTool S1 40W Basic Laser Engraver (Black)

The xTool S1 engraving machine is an advanced engraving device that offers unmatched precision and versatility. Ideal for beginners and advanced users alike, it enables even the most demanding projects. With four interchangeable laser modules, the xTool S1 is easily adaptable to different work scenarios, making it an extremely flexible tool. Included with the engraver you will find a mini fire kit, which automatically puts out the fire when it detects an emerging threat.

Reliable engraving precision

The xTool S1 40W provides exceptional accuracy thanks to its small laser spot size of 0.08 x 0.10 mm. This precision allows for extremely detailed engravings that are unattainable by other devices

in this class. With an operating speed of 600 mm/s, complex projects can be completed quickly and efficiently, significantly increasing productivity.

Large working space

The xTool S1 engraving machine offers an impressive working space of 498 x 319 mm, allowing larger projects to be completed without having to move material frequently.

Intuitive operation and wide compatibility

The xTool S1 is compatible with Android, iOS, Windows 10 and higher, and macOS, so it can be operated from a variety of devices such as smartphones, tablets and computers. The device also supports popular file formats, including SVG, DXF, JPG, JPEG, PNG, BMP and TIF, allowing you to easily import designs for engraving.

Advanced software

The device works with XCS and Lightburn software, which offer advanced editing and engraving control functions. You can easily create and modify designs, and manage laser settings to get the best results.

Ergonomic design and mobility

With a weight of 20 kg and compact dimensions of 765 x 561 x 183 mm (without base) and 765 x 561 x 268 mm (with base), the xTool S1 is easy to carry and set up. The sturdy design provides stability during operation, while allowing the unit to be easily moved when needed.

Included

2-in-1 xTool S1 40W laser engraving machine

Honeycomb panel for cutting out

Smart Air Assist **worth PLN 679**

xTool Select material kit
