Model: K59601WW

Manufacturer: KENSINGTON

EAN: 085896596011

Product Code: 1412044

R4,358

Professionals who spend long hours working at a desk often struggle with poor posture, eye strain, as well as neck, back and shoulder discomfort. The SmartFit™ One-Touch Height Adjustable Dual Monitor Arm supports more comfortable monitor placement. Thoughtfully designed to simplify proper ergonomic fit, it offers a fully articulating design for maximum flexibility. A heavy-duty build provides stability in every position while its gas spring monitor mount makes adjusting the height, depth and angle of your monitors effortless — from landscape to portrait mode. The built-in cable management system organises and conceals cables while the arm lifts your external monitor up and out of the way, decluttering and clearing valuable desk space.
