Focus more sharply on your tasks with the superior contrast ratios and ultra-quick response of these Full HD monitors. A range of built-in display technologies deliver consistent viewing across wide angles, faster response time for reduced eye strain, more realistic colors, and a stable view that prevents tailing when the screen is touched.

Very connected

Collaborating with others is faster and more productive when you have plenty of ports available. V6 Series monitors allow you to connect to a wide variety of devices like notebooks and tablets, thanks to DisplayPort™, VGA, DVI and HDMI® ports.1

Eco focus

V6 Series monitors are RoHS compliant and mercury free. Plus, you'll see significant power savings thanks to advanced Acer EcoDisplay technologies and white LED backlighting. More than 10% of the material used in these monitors is post-consumer recycled (PCR) plastic,2 further reducing environmental impact.
