

i-tec USB-C/USB-A Metal Charging + data HUB, 15W per port, 10x USB-C

Model: CACHRGHUB10CUK

Manufacturer: I-TEC

EAN: 8595611706363

Product Code: 1415712

R1,921

This modern HUB offers 10 USB-C with Plug & Play functionality and up to 15W charging per port. With 10 USB ports, the HUB can charge up to 10 devices at once.

At the same time, the ports allow data transfer: two USB ports (1 and 6) allow 5 Gbps transfer and the remaining ports support speeds up to 480 Mbps (USB 2.0).

The HUB does not require any drivers to be installed, just connect it to your computer with a USB cable and you can start using it immediately. The HUB has built-in surge protection for your computer in case of short circuits on peripherals.

If you will only use the HUB for charging, there is no need to connect it to your computer.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
