

Lenovo 4X41A08251 tablet case 30.5 cm (12") Cover Black

Model: 4X41A08251

Manufacturer: LENOVO

EAN: 195235267622

Product Code: 1416589

R1,523

Custom designed case for the ThinkPad X12 Detachable. Designed with a slim, clean profile and the perfect balance of functionality and protection. This case allows full access to tablet features including the kickstand, ports and touch screen, plus keyboard compatibility. Perfect for most users, its features include a soft-touch and easy-to-clean silicon hand strap, convenient built-in pen clip, tablet keyboard attach capability, bump and scratch protection, low profile and shock absorbing corner protection, and an essential degree of drop protection (up to 80cm).

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
