Monitor Mount | Desk/Grommet Mount | Tool-less Assembly | For up to 30" Monitors

Create an ergonomic workspace with this premium desk-mount dual monitor arm, for monitors up to 30" each. The two articulating monitor arms with dual-swivel action offer a wide range of motion side to side. The attractive silver finish enhances the aesthetics of your workspace.

Enjoy a Wide Range of Motion to Work in Comfort

The dual articulating monitor arms offer a wide range of motion on several axes. It provides effortless motion to adjust the position of your monitors.

Sleek and Stable Aluminum Design

The robust aluminum design provides stable support for your monitors. The computer-monitor desk mount supports two VESA mount monitors (75x75, 100x100) with a weight capacity of up to 22 lb. (10 kg) per display. The cable-management channel helps to keep your workstation neat and tidy.

Adjust your Viewing Angle

Share your screen with ease. The double monitor mount offers a full +180-degree / -180-degree pan, to move your screen left or right. It tilts freely +90 / -15 degrees to adjust the angle up or down. Rotate your screens for landscape or portrait viewing.

Height Adjustment
